Please attach a summary of your proposed project that responds to the following questions. The proposal should not exceed two typed, double-spaced pages.

1. What need or problem is addressed by this proposal?
2. What will the project do? How will it address the need described in #1?
3. Describe if this is an existing project or a new project idea.
4. If this is a direct-services proposal, who will the project serve? (target-population, geographic area, numbers of people, etc):
5. If this is a research or evaluation proposal, describe the methodology you will use to develop research question(s) and gather data.
6. How will you measure project success?
7. Is this project a partnership of multiple organizations? If so, please list project partners and role of each partner.
8. What are your other sources of funding (actual & potential) for this project?
