

## RFQ #10-06

# Questions & Answers 1

### Question 1

Will the WDC assist the selected contractor in accessing local government officials and area company executives for stakeholder interviews?

### Answer

**We will assist access with the contacts we have with economic development organizations and companies in the sector.**

### Question 2

Will previous or concurrent studies (draft or final), and supporting data, be made available to the selected contractor?

### Answer

**There is relevant background data from the Puget Sound Regional Councils' work on the Metropolitan Business Plan which will be made available. This study will expand the work of PSRC in the energy efficiency cluster and will be helpful to their MBP effort.**

### Question 3

What is the anticipated start date?

### Answer

**Within approximately two weeks of the RFQ close date.**

### Question 4

What is the relationship between this study and the Metropolitan Business Plan work being conducted by the Puget Sound Regional Council?

### Answer

**See #2 above.**

### Question 5

Is the desired outcome identification of equipment and parts that could be manufactured in the Puget Sound Region, workforce development strategies that would support the manufacture of these components, or both?

### Answer

**Both.**
