---

**Question 3**

Can we bill for funds obligated, but not expended? We are considering running courses from June 30 and August 30, 2011. In this summer quarter scenario, there could be expenses incurred after June 30 and before August 30, 2011.

**Answer**

**No. Contracts issued under this RFP will be cost reimbursable, based on actual costs. Because the grant funding for these contracts will end on June 30<sup>th</sup>, expenditures incurred after June 30<sup>th</sup> will not be allowed.**
