RE: Recognizing Your Team's Successes

Dear Marie,

It is important to take a moment to recognize your positive performance on the outcomes shown below from your WIOA Title I grants and discretionary contracts. Please feel free to share this with your board and entire team, as you see fit, in appreciation of the hard work and dedication they put into finding solutions and support for the communities served by your LWDB.

The Workforce Development Council of Seattle-King County quarter ending June 30th, 2022 (December 31, 2021 for employment outcomes):

| Outcome | Target | Actual |
|---|--------|--------|
| WIOA DW Enrollments | 627 | 849 |
| WIOA DW Exits to Employments | 100 | 161 |
| WIOA Youth Enrollments | 333 | 365 |
| NDWGs Disaster Recovery Enrollments | 156 | 229 |
| NDWGs Disaster Recovery Exits to Employments | 101 | 127 |
| NDWGs Employment Recovery Enrollments | 140 | 269 |
| NDWGs Employment Recovery Exit to Employments | 91 | 131 |
| Federal EcSA Enrollments | 40 | 70 |
| Federal EcSA Exits to employment above \$34,480 | 0 | 10 |

This past quarter you began the implementation of the Unite Us platform, which will enable your service providers to better integrate with each other and enable clients to receive more comprehensive services while enabling them to focus on gaining skills, rather than having to advocate for themselves due to a lack of synergy. We see these gains in the Adult/DW space and commend you for these efforts. Additional congratulations for a job well done on completing the COVID19 Disaster Recovery NDWG and COVID19 Employment Recovery NDWG with performance outcomes above target. Kudos! If we could offer additional technical service in any area of grant administration, training, policy guidance, or others, please just let us know. Our goal is to support your local success.

We are always looking for successful practices to share with the rest of the workforce development system. If you would like to share any tools or practices with your peers across the state, please send them to ESDGPWorkforceInitiatives@esd.wa.gov. Also, let us know in that message if you would be willing to present during the next quarterly peer-to-peer teleconference. By sharing your successes, you can help the entire state continue to pursue and achieve excellence.

If you would like more information, please let me know. Congratulations again on your success, and thank you for serving Washington's employers, workers, jobseekers, and youth.

Sincerely,

Tim Probst
